### Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. < R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a- million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Picrce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Prest., Buffalo, N. Y.

#### BRONCHITIS

To Whom it May Concern:

BLUEVALE, ONT. May 4.n. 1910. "I was sick for two years with chronic bronchitis and consequent ru - nown condition. I reselv d no benefit from doctors or from a trip which I took for my health and I had to giv-Vinol w s recommended and from he second bottle I commenced to improvegained in weight and strength, my bronchia trouble disapp-ared, and I am at work again want to recomment Vinol to anyone who is a need of such a medicine." Thomas Higgins (We guarantee this tes mo isl to be genuine.) It is the combined action of the curativ--lements of the cods' livers aided by the bloom making and strength creating properties of conic iron contained in Vinol which makes i o su cessful in curing bronchitis.

Vinol is a constitution of remedy for chronic coughs, colds, bronchitis and pulmonar troubles, not a palliative like cough syrupa

Vinel contains no oil or drugs and is far more efficacious than cough mixtures, because it cures the cause. Try it. If you don't hink it helps you, we will return your money. John C. Pecor, Druggist, Maysville, Ky.

#### GO TO THE RESCUE.

Don't Wait Till It's Too Late-Follow the Example of a Maysville Citizen

Rescue the aching back. If it keeps on aching, trouble comes. Backache is kidney ache.

If you neglect the kidneys' warning, Look out for urinary trouble-diabetes. This Mayaville citizen will show you how to

go to the rescue. M. C. Chisholm, 317 East Second street, Maysville, Ky., states:

"The cure Doan's Kidney Pills effected in my case some years ago has been permanent, and the public testimonial I then gave in their favor still holds good. I was bothered a great deal by too frequent passages of the kidney ac-cretions, this weakness being especially annoying at night, when I was obliged to arise several times. Having my attention called to Doan's Kidney Pills, I procured a box at J. J. Wood & Son's Prugstore, and had taken them only a short time before I noticed a marked improvement. They soon cured me, and I have since learned of several other cases where they have been used with good results."

According to the latest figures the Subordinate Lodges of the Knights of Pythias in Kentucky own property worth \$175,000. This places Kentucky seventh in the list of States in the Union in point of property owned by Subordinate Lodges, and shows the Order in this State to be very strong, ranking one step ahead of New York State, which has \$170,000 worth of Knights of Pythias property and ahead of every State in the South in point of property held except Louisiana, which has \$225,000 worth.

SLAVE PENSIONS

Kentucky Legislature Legalized Slave Marriages Which Helps Negroes

Shortly after the War the Kentucky Legislature passed an act allowing all slaves who had married in bondage to go before the County Clerk and make a declaration, thereby legitimatizing their marriage and issue. Owing to ignorance this was done in but a few instances, the consequences being that the Pension Bureau turned down all widows' and orphans' pension claims

At the last session of the Kentucky Legisdature Senator Bradley prepared a bill which was put through both Houses by State Senator Cureton of Louisville, making the customary Guaranteed by Underfeed siave marriages legitimate. They were usually performed without license.

The Pension Bureau has ruled that it can new consider any claims which may be filed since the act of the Legislature went into all parts of Uncle Sam's broad domain to effect last July.

All claims that were filed before that date must be refiled.

There are several hundred cases in the State of Negro soldiers whose descendants will beo me pensionable under the ruling of the Lasion Bareau.

**BURLEY MEETING** 

**Growers of Bluegrass Section Will** Take Action Next Monday on **Tobacco Situation** 

This Morning's Lexington Herald.

It was learned that the list of signers to the call for the meeting to be held in Lexington on Monday, December 19th, includes many of the most prominent and substantial farmers and tobacco growers in the counties of Fayette, Madison, Woodford, Jessamine, Mercer, Bath and Owen, and that on account of what was stated to be the discouraging and ruinous prices now prevailing, as well as the equally gloomy prospect in store for them in the future, they have been prompted to take this step and hold a meeting of all the tobacco growers for the purpose of getting together on some common ground and working out a plan for their mutual self-protection.

Judging from the general dissatisfaction apparently prevailing among all the tobacco growers on account of the treatment received by them at the hands of the American Tobacco

The readers of this paper will be pleased to a nthatthere is at least one dreaded disease that cience has been able to cure in all its stages, and that is Catarch. Hall's Catarra Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of tesimonials.
